FALL 2025 LEADERSHIP BOOK

Our Iceberg Is Melting (Changing and Succeeding Under Any Conditions)

Author: John Kotter, Holger Rathgeber

Genre: Business Nonfiction Leadership

Overview

Our Iceberg Is Melting: Changing and Succeeding Under Any Conditions is a business fable about penguins who learn to work together to deal with a dangerous change to their environment, a lesson that also applies to people in the workplace and in organizations. Written by award-winning management consultant John Kotter co-author Holger Rathgeber, the book was first published in 2006 and became a New York Times bestseller. It's noted for its eight-step process for successful change.
