Associate in Science (A.S.) - Business

Students should refer to the associate degree requirements and an academic advisor for associate degree details to ensure a successful transition to UCO.

Oklahoma City Community College General Education

This section is an outline of the general education pattern at OCCC common to all majors. Some general education areas may vary by major. In those areas, consult an academic advisor or refer to the OCCC catalog or requirement sheet. An Associate in Science (A.S.) or Associate in Art (A.A.) degree from an accredited Oklahoma institution that includes the OSRHE minimum requirements will satisfy the UCO University Core.

English Composition 6 hours

- ENGL 1113 English Composition I (UCO course ENG 1113)
- ENGL 1213 English Composition II (UCO course ENG 1213)

American History 3 hours

- HIST 1483 U.S. History to 1877 (UCO course HIST 1483)
OR
HIST 1493 U.S. History 1877 to Present (UCO course HIST 1493)

US Government 3 hours

- POLSC 1113 American Federal Government (UCO course POL 1113)

Science 7 hours

One course must be a laboratory science. Students should refer to associate degree requirements or consult with an academic advisor for appropriate course selection for specific majors.

Humanities 6 hours

Students should refer to associate degree requirements or consult with an academic advisor for appropriate course selection for specific majors.

Mathematics 3 hours

Students should refer to associate degree requirements or consult with an academic advisor for appropriate course selection for specific majors.

Additional Requirements

Students will need at least one 3-hour course from the following disciplines: Psychology, Sociology, Political Science, Economics, Fine Arts (Art, Music, and Theatre), or Modern Languages. Students should refer to associate degree requirements or consult with an academic advisor for appropriate course selection for specific majors.

General Education Electives

Students should refer to associate degree requirements or consult with an academic advisor for appropriate course selection for specific majors.

UCO Major Requirements Taken At OCCC

The courses listed in this section are required at OCCC for this major and will also meet UCO major requirements. The OCCC course is followed by the UCO equivalent or substituted course.

- MATH 1483 Functions and Modeling (UCO course MATH 1453)
- MATH 1743 Calculus for Business, Life Sciences, and Social Sciences (UCO course MATH 2053)
