COMMUNITY COLLEGE

Academic Affairs
**Faculty & Staff
Recognition
Luncheon**

VISUAL AND PERFORMING ARTS CENTER

A LETTER FROM THE *President*

Dear Faculty and Staff,

As we gather for this special luncheon, I am reminded of the unwavering commitment you bring each day to Oklahoma City Community College. Your steadfast dedication forms the foundation of our institution's excellence, and because of you, thousands of lives are being transformed.

At OCCC, we are not only educators but visionaries, mentors, and community builders. We champion real-world readiness by equipping our students with the intellectual tools, practical skills, and human values required to lead in an ever-changing world. This transformative work happens because of you. You show up, lead with compassion, innovate, and inspire.

Since stepping into this presidency, I have witnessed how our academic community rises to every challenge — embracing new beginnings with grace, compassion, and an unwavering commitment to excellence. I have also seen how we show up for one another as colleagues and as a family. That is the strength of OCCC — and it is a strength that lives on in every classroom, every office, and every heart.

To capture the spirit of who we are, here are a few of the beautiful moments this year when OCCC put the “C” in Community:

- **deadCenter University (Summer 2024)** A four-day hands-on filmmaking experience for high school students, in partnership with deadCenter Film Festival.
- **Rosewood Gala (September 2024)** OCCC's signature black-tie event recognizing excellence and supporting student scholarships.
- **Pancakes & Finals (December 2024)** OCCC student affairs alongside faculty and staff hosts this treat for students to cheer them on for final exams.
- **Sober & Strong (March 2025)** A student-focused event promoting responsible decision-making and safety.
- **OCCC Jazz Invitational (April 2025)** A student-led community musical collaboration.
- **Faculty & Staff Appreciation Week (Spring 2025)** A week of gratitude and celebration honoring the heart of OCCC — its people.
- **Grill & Chill (April 2025)** A relaxed campus community event with food and fun.
- **Finals Week Encouragement Events (Coming May 2025)** Campus-wide efforts to support students with snacks, smiles, and encouraging messages during exams.
- **Commencement (Coming May 17, 2025)** A celebration of student success and community enrichment.

There are so many more memories, and we hold them in spirit and our hearts. They are markers of our mission. They are reminders that we are not merely an institution of higher learning — we are a community of higher purpose.

As we look ahead, know that your work is appreciated. You are sowing seeds of knowledge, hope, and empowerment that will continue to impact future generations. Whether you stand at the head of a classroom, work behind the scenes, or support our learners in countless unseen ways — your impact is profound. You are the heart of Oklahoma City Community College.

Thank you for pouring into our students and campus community daily.

With deepest appreciation,

Mautra Staley Jones, Ed.D.
President
Oklahoma City Community College

A LETTER
FROM THE
*Vice President
for Academic
Affairs*

Dear Faculty and Staff,

As we gather for this year's Academic Affairs Faculty and Staff Recognition Luncheon, I want to, with the utmost sincerity, tell you just how much each of you means to our community. Your dedication, passion, and unwavering commitment are what make this institution more than just a college — you make it a place where lives are changed.

Every single day, you inspire. Through your teaching, your behind-the-scenes support, and your care for our students, you create opportunities and open doors. You remind our students — and each other — that growth and success are possible. Because of you, Oklahoma City Community College isn't just a place of learning; it's a place of belonging, where dreams take flight.

This luncheon is a small gesture of thanks for all that you do. I hope you take this time to relax, connect with one another, and really feel the appreciation and gratitude that surrounds you. Please know how deeply valued and respected you are — OCCC simply wouldn't be the same without you.

With gratitude,

Dr. Liz Larget

*Vice President for Academic Affairs
Oklahoma City Community College*
