

## **TITLE: ADMINISTRATIVE PROCEDURE NO. 5007**

### **PARKING PERMITS**

Parking permits for students are available in the Information Center. Parking decals for faculty and staff are available in the Office of Campus Safety and Security. A decal should be obtained for each vehicle driven to the campus. Reserved parking areas are set aside for faculty/staff, students with disabilities and visitors to the College. Special parking permits for vehicles transporting permanently or temporarily disabled persons may be obtained from the Oklahoma Department of Public Safety.

People who park in "no parking" areas, such as fire lanes, are subject to ticketing and having their vehicles towed at the owner's expense. Vehicles and/or equipment left in campus parking areas for three days or longer without written consent of the Director of Campus Safety and Security will also be removed at the owner's expense.

A complete outline of parking regulations, traffic fines and appeals procedures is available at the Information Center or the Office of Campus Safety and Security.
